# TREASURE GOD'S WORD

## Instructions:

Cut out the template below. *Hint: Cut the base out first.*

Be sure to leave the white tabs connected to the box exterior. These will be used to connect each side to create the 3-D Treasure Chest.

After the template has been cut out, fold the template to form the base of the box (fold tab to fit inside the box).

**Note:** Each fold is on a BLACK line.

Write your name on what will become the inside of the lid to your treasure chest.

After the base of the treasure chest is secure, form the rounded top using the trapezoid shaped tabs. Fold both ways before attaching the side of the lid to the top.

Construction of this 3D Treasure Chest works best when the template is printed on 65 lb card stock.

**Warning:** Assembly could take 15-20 minutes
