## Welcome to Temple Baptist Church of Rogers!

We're so glad that you are able to be here and worship with us this weekend. If you are visiting with us today, we want to invite you to complete a "Connection Card" to let us know a little bit about what brought you here. You can find these cards in the back of the pews in the auditorium or ask for one from one of our greeters. Again, we are so glad that you are here!

Last Sunday, we were privileged to have Josh Keck and his family here with us in view of a call as our Pastor of Students and Worship. It is my hope that you have spent a great deal of time this week in prayer, seeking God's will concerning this issue. At the end of our services today, all church members will have the opportunity to vote either in favor or not in favor of extending this call for Josh to become part of our pastoral team.

I know that for many, this issue has been a difficult one to discern the will of God. Part of the problem we face is that we love Pastor Bryan and Pastor John so much! We don't want to see them move on to other ministry opportunities because they do such a good job where they are. I KNOW! I feel the same way, but we must concede that God has spoken to these men and they believe that God is leading them in this way.

So as we approach this vote, I encourage you to NOT base this vote on your feelings or opinions—I ask you to seek God's will and ask Him what He wants. This is by far the most important thing for us—finding God's will!

and do not lean on your own understanding."***
