Welcome to Temple Baptist Church of Rogers!

We're so glad that you are able to be here and worship with us today. If you are visiting with us today, we want to invite you to complete a "Connection Card" to let us know a little bit about what brought you here. You can find these cards in the back of the pews in the auditorium or ask for one from one of our greeters. Again, thank you for being our guest!

Here at Temple Rogers, our mission is to **CONNECT People to God, UNITE People to One Another, and EQUIP People to Be On Mission.** There are 59 instances in the New Testament where the phrase "one another" is used to refer to a believer's relationship with another believer. God felt that this concept was so important that He included it in His Word to us almost five dozen times. Something repeated that often should merit our attention!

So I want to ask you this morning, in what ways do you find yourself uniting together with other believers here at Temple Rogers? We often think of community as a noun, but how many of us are practicing community as a verb? ***I want to challenge you today to speak to someone who you either do not know or do not know well. Look for those who are not already connecting with someone else and connect with them!***

I want to invite our Millennials—college age and young adults—to get involved with one another through the **Alpha Ministry.** As many of you know, for the past two years, the Alpha group has had Bible studies every Wednesday evening and fellowship times every Sunday evening. Starting today, the Alpha Bible Study Group is giving birth to a new group that will begin meeting **tonight at 6:00 PM.** Childcare is available for those who may need it. We want to invite you to come experience community together in an Alpha Bible Study.
