There have been many fake theories created over the years to try to disprove the authenticity of the resurrection of Jesus. **Have you ever struggled with believing in the actuality of the resurrection? What was the reason for your doubt?**

Are you still struggling with doubts on this issue?

Turn to the Bible

In Romans 3:21-26, what do we learn about the purpose of Christ's death and resurrection?

In his first letter to the Corinthians (15:1-7), Paul records some of those who witnessed the resurrection of Jesus firsthand. **Why is it important that there were so many witnesses of Jesus' resurrection?**

What is so important about the resurrection anyway? (1 Corinthians 15:12-21)

One of the reasons to believe in the genuineness of the resurrection is because of the large number of witnesses who saw Jesus after He rose from the dead. Another reason to believe is because of the life transformation that has taken place in the lives of so many who claim to follow Christ. **How has believing in Jesus Christ and His resurrection transformed your life? What evidence exists of your personal transformation?**
