Covid-19 Update

When Governor Hutchinson gave the go-ahead for churches to return to indoor, in-person worship services on May 10th, we felt it was in our best interest to continue with online and drive-in services for a while to see what the numbers would tell us. The majority of you agreed with our decision based on your responses to our survey last month.

The graph to the right shows the seven-day rolling average for North-west Arkansas (aka Benton and Washington Counties). As you can see, over the past three weeks, the seven-day rolling average has increased by more than ten fold! We will continue to watch these numbers closely. At this point, the criteria that we have set to return to indoor, in-person services is to have 14 days of plateau or diminishing number of new cases in our area. Once these numbers are decreasing, we will reopen our facilities with some health restrictions and social distancing guidelines.

Thank you for your continued patience and flexibility! We know that the weather is growing warmer (thus the earlier start time). Please pray for us as we seek to find the balance between comfort and cautiousness!

Drive-in Church

Join us in the field and parking lot for a unique way to gather together as a church family!

June 7th & 14th

(WEATHER PERMITTING)

During this difficult time, we want to encourage you to continue giving your tithes and your offerings. God promises to provide for all our needs when we put Him first in our finances!

Also, please let us know if you have been laid off or had your hours reduced as a result of the Coronavirus Pandemic. It is in times like these that we need to help one another as fellow church members!
