

# Growth Group Bible Study – June 14<sup>th</sup>

## **Start the Conversation**

In his introduction, Pastor Wade spoke about the phrase “consider the source.” For a few minutes, we want you to consider what sources of information you pay the most attention to in your life.

**What is your source of information for news and events?**

**What is your source of information for health issues?**

**What is your source of information for family issues?**

**What is your source of information for marital issues?**

**Beyond the Bible, what is your source of information for spiritual growth?**

**How trustworthy are your sources of information?**

## **Turn to the Bible**

In his message, Pastor Wade mentioned some examples of standing for what you believe in from the Book of Daniel. Read each of these passages and answer the questions below.

**Daniel 1:1-20**

**Daniel 3:1-29**

**Daniel 6:1-27**

For each of these passages, answer the following questions:

- 1. Who were the main people in this story?**
- 2. What was the situation they were protesting when they took their stand?**
- 3. Did they receive punishment for their behavior? If so, what was it?**
- 4. What was the outcome of the story?**
- 5. How was God glorified as a result of their actions?**

## **Make a Plan**

For just a few minutes, we want to encourage you to consider your own, personal situation, whether you are a student, self-employed, working for a company, retired or something else. **What situations have you faced that required you to take a stand for something you believed in?**

**Are you currently facing a situation in your life where you need to take a stand? If so, what will you do?**

Read Ephesians 6:10-20. **In light of what you just read, what else do you need to do to prepare to face this situation in your life?**
