July 4, 2020—Covid-19 Update

If you have been following the number of new cases of Coronavirus in our state and region, you are aware that the number of new cases has been steadily increasing over the past six weeks. As of June 15th, we had hoped that was the peak, but it inched higher still. The number of new cases held steady with Friday numbers shooting up each week. For the first time in a month, our numbers in NWA did not skyrocket this week which allowed our seven-day rolling average to diminish significantly. Hopefully, this trend will continue in the coming days!

I would like to thank you all for your patience and flexibility as we navigate this difficult time. I want to assure you that we are doing everything we

know to do to create a clean and healthy environment for worship. Just this week, one of our sister churches nearby suffered the loss of one of their members to Covid-19. Our hearts go out to them in this loss.

This should be a reminder to all of us to remain diligent in protecting ourselves and others from the spread of this virus. Thank you for your compliance in social distancing and face coverings!

During this difficult time, we want to encourage you to continue giving your tithes and your offerings. God promises to provide for all our needs when we put Him first in our finances!

Also, please let us know if you have been laid off or had your hours reduced as a result of the Coronavirus Pandemic. It is in times like these that we need to help one another as fellow church members!
