## THANK YOU, THANK YOU, THANK YOU

I want to take this opportunity to thank everyone who has helped in the process of reopening our facilities for public worship. I also want to thank everyone for their cooperation in complying with the guidelines we have set forth for worship at this time. Please know that our utmost concern is your health and well-being. Opinions about the threat of Covid-19 vary greatly. Our goal is to fall toward the side of caution—so we cherish your patience.

As I have continued to track the number of new cases in the I-49 corridor, I am excited to see the trendline continuing to decrease. There are several who have asked about reopening other ministries (e.g. Sunday School, as well as student, children and nursery ministries). We once again ask for your patience in this regard. There has been a significant amount of effort given to the plan for reopening for worship. Now that we have reentered this phase, planning will commence for the reopening of these other ministries in time. Thank you for praying!

*Also, please let us know if you have been laid off or had your hours reduced as a result of the Coronavirus Pandemic. It is in times like these that we need to help one another as fellow church members!*
