## MY PERSONAL RESPONSIBILITY IN WORSHIP

As we examine what church looks like today, who of us would have imagined the turn of events that has led us to where we are in the middle of 2020? For many, church worship services today seem peculiar—whether you are social distancing and wearing masks or not—the Coronavirus Pandemic has affected each and every one of our churches and their worship.

Worship... too many times we think of worship as an event or something we attend. Of course there were times in Scripture where people went to worship (making sacrifices in the temple), but we cannot lose sight of the fact that worship is a verb—combining the right attitude and focus with the right actions—and it is the responsibility of every believer.

### So what does this mean for us today?

It means that we (as individuals) must take up the charge to worship God for who He is no matter the status of our corporate worship as a church body. We must choose to worship the Creator God whether we are sitting in a comfortable sanctuary, in a field outside, or in our favorite chair at home. The times we are facing are unprecedented in our lifetime. As we know, a pestilence such as this one has not struck the world in over 100 years.

So as we go to God in worship, I hope that we see the impact that our attitude and focus has on our worship. Let's keep our focus on Christ and not on the difficulty of our circumstances!

### Online Giving

*During this difficult time, we want to encourage you to continue giving your tithes and your offerings. God promises to provide for all our needs when we put Him first in our finances!*

*Also, please let us know if you have been laid off or had your hours reduced as a result of the Coronavirus Pandemic. It is in times like these that we need to help one another as fellow church members!*
