

For where you go I will
go, and where you lodge
I will lodge. Your people
shall be my people, and
your God my God.

GOOD NEWS FOR NORTHWEST ARKANSAS

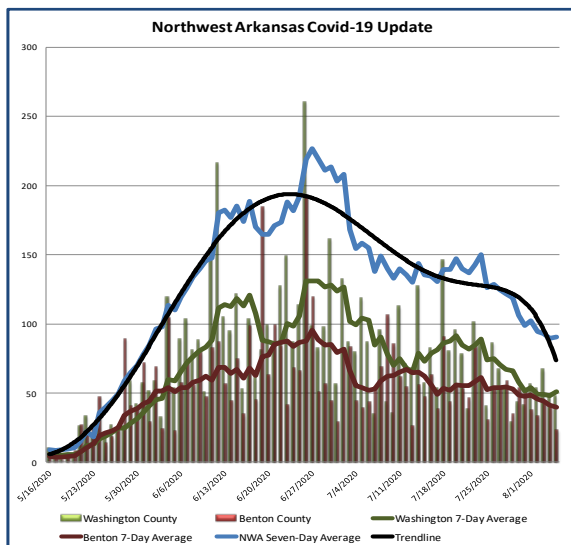

If you have been following the daily updates for the Coronavirus here in Arkansas, I'm sure that you are aware of the rise in new cases over the past month. In the state of Arkansas alone, there have been more than 22,000 new cases in the past month, almost doubling our

overall number of cases since the Department of Health started to count them in March. The good news for NWA is that our numbers have been going down during this time.

No one is sure what will happen in the coming months with this virus,

but we know that God is in control! I want to encourage you to pray for all of our teachers and school workers as they are preparing to return to school. We are unsure of the repercussions will be for returning to on site instruction.

We will be watching this situation as it develops to help us to better gauge the risks of returning to Sunday school this fall. Please pray for wisdom as we plan!

Online Giving

<http://eqsyithe.com/tbcrogers>

During this difficult time, we want to encourage you to continue giving your tithes and your offerings. God promises to provide for all our needs when we put Him first in our finances!

Also, please let us know if you have been laid off or had your hours reduced as a result of the Coronavirus Pandemic. It is in times like these that we need to help one another as fellow church members!
