OPPORTUNITIES FOR COMMUNITY BY JOHN O'CONNOR

As we look to what the new "Normal" is and how we move forward, we are trying take into consideration all options to bring connectedness to our church family without exposing anyone to COVID-19 or any other illness. One of the things we would like to try this coming month is having weekly Community Groups meeting in homes...

Beginning in the middle of September, we will be studying the book of Philippians—"Separate but Connected"—on Sunday mornings. Philippians is one of the letters that Paul wrote while in prison. So we will be viewing this from the point of view of someone who is incarcerated, trapped, separate from the ones he loves but still wants to reach out, love, and encourage them... (from the August Newsletter)

DOING LIFE
TOGETHER

This past Sunday, August 9th, Bro. Derrick Bremer announced his resignation as our Pastor of Student Ministries. In his resignation, he said, "Even though it doesn't make sense... even though it doesn't seem timely, through prayer, careful consideration and ultimately surrender, God has led Michelle and I to believe that we are being called away from the ministry here at Temple. I don't know exactly what that means or what the future holds, but I know that God is at work... and He has it all figured out."

Please pray for Derrick, Michelle, Charlotte and baby #2 (Charley) as the seek God's will for future ministry opportunities.

During this difficult time, we want to encourage you to continue giving your tithes and your offerings. God promises to provide for all our needs when we put Him first in our finances!

Also, please let us know if you have been laid off or had your hours reduced as a result of the Coronavirus Pandemic. It is in times like these that we need to help one another as fellow church members!
