## WHAT A GREAT WEEK HERE AT TEMPLE ROGERS!

For the past six months, ministry here at Temple Rogers has looked very different. The hustle and bustle of pre-COVID ministry seems like a distant memory. Our time here at church—worshiping and serving—has decreased, but that somehow makes our times together seem more significant.

While our time at church has diminished significantly, our time with family hopefully has increased dramatically. It is awesome to see so many families who have grown closer together during this time!

As much of a blessing as that has been, it was wonderful to be able to open up new opportunities this past week for fellowship and service.

The Kidz Time Ministry started off with a bang last Sunday! We had a host of children and a hoard

of volunteers to corral, entertain and teach them the truth from God's Word—from the beginning—from the Book of Genesis!

Our Kidz Time Ministry is focusing this fall on how God created the world and how the flood changed the world dramatically. I want to say thanks to everyone who is working diligently to make this happen!

In addition to Kidz Time, we also started our Community Groups this week. What a blessing it was to come together for prayer, sharing, fellowship and study of God's

Word. If you are not yet signed up to be a part of a group, it's not too late. Speak with Pastor John about joining a group today!

*During this difficult time, we want to encourage you to continue giving your tithes and your offerings. God promises to provide for all our needs when we put Him first in our finances!*

*Also, please let us know if you have been laid off or had your hours reduced as a result of the Coronavirus Pandemic. It is in times like these that we need to help one another as fellow church members!*
