# NEW SUNDAY SCHEDULE

I hope that by this time, you have been able to read this month's newsletter. There is a lot of valuable information in this issue pertaining to our new health screening and sanitization protocols. Please be sure to check it out.

One of the decisions made recently is pertaining to the sanitizing of the auditorium seating. This decision is the result of multiple reports from the CDC which state that:

*"It may be possible that a person can get COVID-19 by touching a surface or object that has the virus on it and then touching their own mouth, nose, or possibly their eyes, but this is not thought to be the main way the virus spreads."* (www.cdc.gov)

So we encourage you to keep washing your hands, use sanitizer and wear your masks, but we will stop sanitizing the chairs between services. This will enable us to return to a little bit longer service. In other words, we'll have more time to sing not have longer sermons! 😊

**First Service—9:00-10:10 AM**

**Second Service—10:30-11:40 AM**

This will allow us to have twenty minutes to be able to transition from worship to Sunday school (or from Sunday school to worship). We hope that you will use this time to fellowship with one another!

## Online Giving

<http://easytithethe.com/tbcrogers>

*During this difficult time, we want to encourage you to continue giving your tithes and your offerings. God promises to provide for all our needs when we put Him first in our finances!*

*Also, please let us know if you have been laid off or had your hours reduced as a result of the Coronavirus Pandemic. It is in times like these that we need to help one another as fellow church members!*
