ARE WE FLATTENING THE CURVE?

In just over a week here in Northwest Arkansas, the seven-day rolling average (in blue) of new COVID-19 cases has decreased from 681 as of January 11 to 356 as of January 19. This is a significant decrease, but the question is whether this is a trend downward or a lull before the next big surge.

Many families in our congregation have been affected by Coronavirus in the past few weeks—some by positive diagnosis and some simply because of quarantine. We want you to know that we are praying for each and every one of you! We also want to encourage you to stay at home. I love that you want to be here, but the best thing for you and everyone else is for you to fulfill your full time of quarantine before returning to church activities.

Don't forget to pick up the new

RECHARGE IN THE WORD

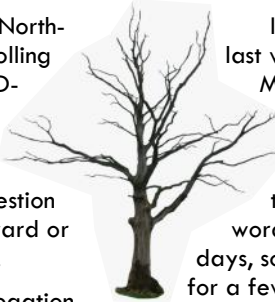

booklets available on the Welcome Center counter. Digital studies are also available via social media and the church app.

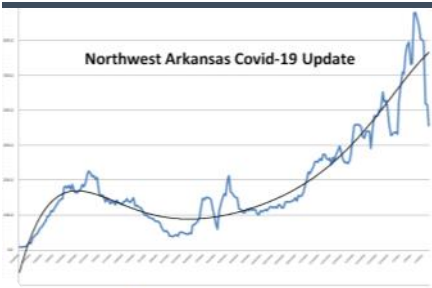

During this difficult time, we want to encourage you to continue giving your tithes and your offerings. God promises to provide for all our needs when we put Him first in our finances!

Also, please let us know if you have been laid off or had your hours reduced as a result of the Coronavirus Pandemic. It is in times like these that we need to help one another as fellow church members!

MCEUEN GIFT CARD/MONEY TREE

If you were unable to give last week for the Gift Card/Money Tree for the McEuen Family, we want to let you know that it is not too late! We are aware that it is difficult to get the word out to everyone these days, so we will leave the tree out for a few weeks so that you can get your welcome gift to them!
