

A photograph of a sunset over a body of water. The sun is a bright orange circle on the horizon, with its light reflecting as a shimmering path on the water's surface. The sky is filled with clouds, some of which are illuminated by the sunset, creating a mix of orange, yellow, and blue. The water in the foreground shows gentle ripples and small waves. A semi-transparent dark rectangle is overlaid on the lower half of the image, containing the text in a white serif font.

You shall be
My witnesses ...
even to the
remotest part
of the earth.

ACTS 1:8, NASB

BMAA MISSIONS HIGHLIGHTS

Go. Disciple. Plant. Repeat. This is who we are and what we do as members of the Baptist Missionary Association. Since our church began in 1955, supporting missions has been at the heart of what we do and who we are.

Today, we have an opportunity to once again partner with our change-maker missionaries around the world—more than 500 families that are serving in 71 different countries. **What will you do to make a difference for the gospel?**

"In 1973 a young missionary took his family and embarked on a journey to

spread the gospel in the jungles of Bolivia." That man—"Jerry Kidd has served the BMA for 62 years as a church planter, missionary... and director of International Missions. Today he serves as director of missionary care. Known as the "Pastor of Missionaries," his pioneering spirit and fearless faithfulness to share the gospel to indigenous people has created an indelible legacy of multiplying disciples and churches all around the world."

Your gift to the **Jerry Kidd Offering** honors his legacy and will support church planting efforts around the world.
