NORTHWEST ARKANSAS COVID-19 UPDATE

The cases of COVID-19 in our area and throughout the state have steadily been going down over the past seven weeks. We are looking forward to a time when this is no longer a daily concern and interruption to our lives. In the meantime, we want to encourage you to

remain diligent in protecting yourself and others against the spread of this disease. For now, we will continue with the same health guidelines that we have been following for the past several months. We will let you know as soon as possible if there are any changes.
