SUMMER ACTIVITIES MOVING FORWARD

Last summer, all the activities for our children and youth were cancelled as a result of COVID-19. With the number of new cases continuing to fall and some decisions by our governing officials to begin the process of relaxing some of the health-related mandates, announcements were made this week that some of our big summer activities will NOT be cancelled.

SOAR—the BMAA student conference—will converge in Dallas at the Hilton Anatole Hotel on Tuesday, July 6. This three-day conference will be featuring multiple conference speakers, multiple concerts and thousands of students worshipping together. Make plans to attend!

We also have confirmation that the Ozarks Baptist Encampment will return to Camp Siloam from August 2-6. For any who do not know about our church camp, it is designed to be a family camp—children 9+ are allowed to attend without a parent/guardian and activities and classes are available from three years old and up.

This year's theme is "COVERED" taken from Romans 4:7 which says, "Blessed are those whose sins are covered." We will be studying some well-known stories from the Book of Genesis to discover how that it has been God's plan, since before creation, to offer us salvation through the blood of Jesus Christ. The Bible Quiz this summer will also be taken from Genesis (Chs. 1-11).
