As we emerge from this pandemic, some are considering the possibility of also emerging from their quarantines. We have supported these who have chosen to err on the side of caution throughout this pandemic.

Now, we need to support their return to in-person services by remaining diligent in practicing the “3 Ws”: wear a mask, wash your hands and watch your distance. Thank you for considering the needs of others before your own!

Easter is only two weeks away! You may be wondering... What will I wear? Or what will we eat for lunch? Or where will we hunt Easter eggs this year?

These are all valid questions, but I wonder: have you thought about who you will invite to join you in worship for Easter Sunday? Don't miss this chance!

Easter is one of three holidays each year where people are more likely to attend a religious service than any other day. The other two are Mother's Day and Christmas Eve.

Who do you know that needs to hear the life-giving message of hope in Jesus Christ? Invite them to join you on Easter Sunday as we celebrate the death and resurrection of our Savior!
