In the Book of Nehemiah, God uses the remnant of people left in Judea to rebuild the wall surrounding the city of Jerusalem. They were led by the name-sake of the book—Nehemiah. He rallied the people to do this work and the work was going well.

When they were about halfway done

with building the wall, the people got discouraged because of some difficult circumstances they were facing. That's when Nehemiah took the opportunity to recast the vision to the people. With newfound fervor, the people restarted the work on the wall and finished it in less than two months.

What we learn from this is that we all

need to be reminded of the mission on a regular basis. So what is our mission?

Our mission is focused on people—people in our church, people in our community and people all over the world. Simply put, our vision is:

*To **connect** people to God,
unite people to one another, and
equip people to be on mission.*

As we think about this mission, we need to understand how we will go about accomplishing it. We'll **Connect People to God** through evangelism, worship and prayer. We will **Unite People to One Another** through spiritual formation and transparent relationships. And we'll **Equip People to be On Mission** through service, evangelism and the process of making disciples.

What are you currently doing to be a part of the mission of our church? What could you do to make a difference in someone's life? Will you get on mission with God?
