# a virtuous woman

In Proverbs 31, the author describes a virtuous woman. She is a woman that is:

- Worthy of being trusted,
- A blessing to those around her,
- Diligent in all that she does,
- Sacrificial as she serves others,
- Savvy when it comes to business,
- Fit and healthy,
- Loving and generous,
- Well-liked and respected,
- Quick to laugh and wise in advice.
- Praised by her husband and children.

Ladies, we want to recognize you and thank you today for being the wise and industrious women that you are! Our lives are blessed because of you!

We want to thank you for teaching us how to love, for demonstrating what great patience looks like and for lifting us up in prayer each and every day of our lives.

A few weeks ago, we shared with you, through the daily Recharge book, the concept of using the text of Scripture as a guide for your prayer. This is a tremendously powerful tool that will breathe new life into your prayers. We know that all of you "virtuous women" already have the desire to lift up your loved ones in prayer—it is our desire to give you a gift that we believe will help you to do this even more effectively.

God bless you as you continue to influence lives for the glory of God!
