BMA of the Ozarks to Meet at Temple Rogers Next Month

Our church will have the privilege of hosting the annual meeting of our local association of churches this next month. This meeting will begin with reports and business conference on Friday afternoon, September 10.

We will be hosting a fellowship dinner that evening that will start around 5:30. If possible, we will need your help with food preparation, serving and clean-up. We will have more information about this in the coming weeks.

Friday evening, we will come back together for a time of worship. Pastor David will be leading this time and then we will have a special guest speaker—a missionary working in a creative-access-nation in South Asia. Be sure to mark your calendars for this special event!

Community Groups Starting Soon

After a longer hiatus than we had originally planned, Community Groups will start again the week of September 12. I am thankful that several of our groups have continued to meet these past few months.

We're looking forward to getting the old groups started again, and we're excited to let you know about some new groups as well. We hope to be offering 7 or 8 options for you to be able to join!

Be sure to check out the August/September issue of the church newsletter for more information. It will be published later this week. We will have sign-ups available on the information wall beginning next Sunday.

Fifth Sunday Fellowship and Annual Business Meeting

Next Sunday, August 29, we will host time for a fellowship meal after the morning services. Immediately following the meal, we will have our annual business meeting. Please make plans to attend. Thanks!
