Welcome Our Special Guest Missionary

We are blessed today to have a special guest missionary joining us who is working in a creative access nation in Asia.

Once referred to as “Closed Nations,” creative access nations refer to various countries around the world whose borders are closed to individuals and organizations that are there to do mission work. In other words, people are restricted from openly sharing the gospel in that country.

On the map below, it shows all of the **Creative Access Countries**, and those which are **Hostile Countries** toward the gospel and Christian missionaries. People living inside these

countries have little hope of hearing the good news of Jesus unless someone is willing to take the risk and go!
