## CONFLICTS IN COMMUNITY GROUP SCHEDULES

From week to week, there will be a number of individuals who will be unable to participate in certain church events because of conflicts in their schedule. This is to be expected. I'm not sure what we would do if everybody showed up at the same time! ☺

Several of our community group meetings will be affected by other events that are scheduled this week. If you find that you are going to be unable to attend your community group meeting this week, but you still want to have the opportunity to take part in the study on Nehemiah 4, there are a few options that you might consider.

One option would be to attend a different group meeting at another time.

The available times and locations are on clipboards on the information wall, or you can contact the church office for more information.

Another option available to you is to get a copy of the community group study guide and work through it on your own or with your family. If you would like to do this, please contact Pastor Wade for a copy this morning or you may email him at [wade@templerogers.org](mailto:wade@templerogers.org). You don't want to miss out on this pivotal study!
