was tested by what
he suffered, he is able
to help those
who are being tested.

COMMUNITY GROUPS

Several community groups were cancelled this week for various reasons (weather, pandemic, and others), so our numbers from Community Groups reflect that! We hope that you will be able to get back to your groups this week!

We want to let you know that there has been one schedule change with our community groups. We offer a Wednesday afternoon group at Fanny May Butler's for those who would prefer to not drive after dark. This group will be meeting at 2:00 pm starting this week. We hope that will make their drive home a little easier!

CHURCH OFFERING

Another thing you'll notice in the January 16 Report below is a lower than normal offering. I know that many of you give online so your giving is unaffected by winter weather. For those who give in-person, we want to encourage you to "catch-up" on your offering this week. Thanks for your faithfulness and generosity!
