## COVID-19 IN THE COMMUNITY

I just wanted to take a moment to encourage you to be diligent with the three “W’s” for stopping the spread of Covid-19: wear a face mask, wash your hands and watch your distance!

This past week, the number of new Covid-19 cases in NWA reached a new, all-time high for its seven-day-average.

As of January 25, Northwest Arkansas had a seven-day average of more than 1,400 new cases per day. Please continue to pray for those affected by this virus. And please pray for your

pastoral staff as we need wisdom to know how to best reach our community for Jesus Christ in a post-Covid world.

## FIFTH SUNDAY FELLOWSHIP MEAL

In light of these numbers, some might wonder about our decision to host a fellowship lunch today. If we still knew only what we knew about this pandemic 18 months ago, I would agree. But knowing what we know now about the guidelines and procedures for exposure and quarantines, I feel confident that you know if you should or should not attend the fellowship lunch. We only want you to participate if you feel comfortable in doing so! Praying we get through this soon!
