A wooden ladder made of two main vertical poles and several horizontal rungs, leaning against a reddish-brown rocky cliff face. The sky is a clear, bright blue. The ladder is positioned diagonally from the bottom left towards the top right. The rungs are made of smaller, lighter-colored wooden branches or logs, secured to the main poles with dark, possibly black, lashing or rope. The cliff face shows horizontal layers of rock and some darker, possibly wet or shadowed areas near the base.

Seek the  
LORD and his  
strength;  
seek his  
presence  
continually.

“The harvest is plentiful, but the laborers are few. Therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest.” (Luke 10:2)

Next week, we have an opportunity to help provide for the laborers in God’s harvest field by giving to the **Jerry Kidd Missions Offering**. This annual offering supports ChangeMaker Missionaries in countries all around the world.

The BMA of America has more than 500 ChangeMaker Missionaries serving in 61 countries worldwide. These families are giving their lives to the spread of the gospel in their home countries.

Would you commit to pray for them as they make disciples and plant churches all around the world?

Would you pray about how much you will be able to give next week for the **Jerry Kidd Missions Offering**?
