A WORD ABOUT COMMUNITY GROUPS

I was asked recently why we took breaks in community group meetings in between sessions—like between Spring and Summer. I thought I would share my thoughts about this with everyone since we have a few breaks coming up.

Sometimes, the breaks are dictated by the calendar (such as Spring Break, Mothers Day, Fathers Day). During these times, we want to give you an opportunity to spend that time with your family.

At other times, the breaks are just breaks designed to give us a break! 😊 Let me explain...

One advantage of taking periodic breaks is that people miss their groups when they do not meet which motivates them to attend when they are meeting. Another benefit to taking breaks is that it gives natural opportunities for new people to join a group. I hope this helps you to see the value in taking a break!
