BMA OF AMERICA MEETING THIS WEEK

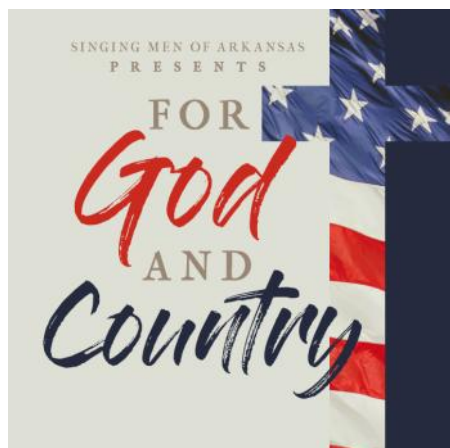

Churches from all over the United States will be gathering this week for the national association meeting of the Baptist Missionary Association. Our church is a member of the BMA of America, BMA of Arkansas and the BMA of the Ozarks.

It is a privilege to be a part of a group of churches that partner together

to carry the gospel to the far reaches of this world. Through the BMA, we support missionary/church planting efforts across the nation and around the world, gospel teaching through radio/TV/internet, Christian institutes of higher education, campus ministries at secular universities, lobbyists for Christian morals in our nation's capital, and production of biblical literature for spiritual growth and maturity—just to name a few!

Another of the BMA ministries that we support is the We Are Free Ministries, led by Angelynn McMurray. This ministry is dedicated to rescuing women out of human trafficking situations here in the United States—and sometimes even here in our own community.

What a blessing to be a part of a family of believers who are partnering with one another to demonstrate God's love and carry out His mission to the world. Please keep the BMAA meeting in your prayer!
