This past Thursday evening, one of our community groups had a great time when they went to see this new family-friendly and faith-based movie.

Ben Trueblood, Director of Student Ministry at Lifeway, said, "FAMILY CAMP is a truly funny movie that families can enjoy together. As someone who works with students and has two teenagers at home, I believe they will love this movie as much as their parents and younger siblings."

If you are a movie-going person, I want to encourage you to check this one out while it is still in theaters. It is impossible to create movies that have biblical values if people do not go to the theaters to show their support!

Family Camp is now playing in theaters in Rogers and Fayetteville.
