SPECIAL THANKS TO ALL WHO HELPED YESTERDAY

I want to say "Thank you!" to all those who gave up their time yesterday to help with the light installation. After working a full week, it is going above and beyond to give up 10-12 hours on a Saturday working at the church. What a blessing it is to have people who are willing to do this!

As you will be able to tell from the equipment in the auditorium, we still have a few things that we hope to be able

to accomplish before returning the scissor-lift tomorrow. If you are interested in helping with a few projects this afternoon, please see Pastor John or Pastor Wade to see what all needs to be done and how you might be able to help.

Again, we want to thank everyone who has given their time and energy on these projects! These things couldn't have been done without your hard work!
