## WELCOME DONNY PARRISH OF LIFEWORD

We are excited to welcome back the Executive Director of Lifeword Media Ministries to Temple Rogers today! The last time that Bro.

Donny was here, we were meeting outside in the field for Drive-in Services!

Donny has been serving Lifeword in different capacities for over three decades now. Most of that time, he has continued working with BMAA churches and other ministries. His work with Lifeword started in

1990 when Executive Director George Reddin asked him to help create a new ministry that would focus on video content. For the past several years, he has been serving in the role of Executive Director.

Through Donny's leadership, Lifeword continues to expand its gospel outreach around the world! He'll be speaking this morning about how the responsibility to carry the gospel to the world lies on the shoulders of each and every believer. This afternoon, he will share all about the work of Lifeword and the impact that our partnership can have in reaching the lost!
