WELCOME THE CENTRAL BAPTIST COLLEGE SINGERS

We are excited to welcome the CBC Singers to Temple today! This group of young men and women serve as ambassadors for our college in schools and churches all around the region. For this work, each student receives a full-tuition scholarship!

Only a few of these students are actually music majors, but all of them love to sing and worship the Lord! And that's exactly what they will be doing today—leading us in worship!

Started in 1952 as a school designed to equip pastors and missionaries with Bible degrees, Central Baptist College has grown to include bachelor degrees in these programs: behavioral sciences, business, communication, education, English, fine arts, general education, health, kinesiology, math, natural sciences and social studies.

We want to praise the Lord for all that He is accomplishing through the ministry of Central Baptist College!
