## COMMUNITY GROUP SCHEDULE AND SERMON SERIES NEWS

We're excited to announce that we are starting back our community groups today! This **late summer session** will last for only four weeks—the rest of August. This would be an ideal time for you to check out one of the groups.

Our **fall session** will begin after the Labor Day holiday—the week of September 10. The plan at this time is for the fall session to run for ten weeks. That will have our last session be the week before Thanksgiving. As is our custom, we will plan to have our church-wide, Thanksgiving Dinner on Sunday evening, November 19.

Lord willing, our next Recharge book will be ready and available for you by Sunday, September 10. Please be in prayer for me as I make preparation for this sermon series, the Recharge book, and the community group studies.

In case you heard differently about the dates for the late summer session, let me explain. The original plan was to start a new sermon series to coincide with this late summer session. As I was preparing this week, I just could not get any peace about that plan, so I called an audible. Today, we will be focusing on our personal responsibility to make disciples. The community group study will coincide with this topic.

Lord willing, we will begin the other sermon series next week. We will be looking at the topic of Anger over the next several weeks. The Bible has much to say on this subject; and unfortunately, we have much to learn!

So join us as we look at:

Is Anger Productive or Destructive?
