INCLEMENT WEATHER

This past week brought some unexpected days off for our students which caused all of our student activities to be cancelled this week. Our church policy is that Wednesday evening activities will be cancelled anytime Rogers ISD is dismissed for inclement weather.

Only one of our seven community groups were able to meet this week—and they had to reschedule to a different evening! Hopefully we will be able to get back to our regular schedule this week, but with more impending weather on its way, please be in touch with your community group leader to find out what the plan is for your specific group.
