OPPORTUNITY FOR BENEVOLENT HELP

In the February 28th issue of the Baptist Trumpet, BMA of Arkansas missionary, **Michael Hight**, shared about some medical issues that he has been having this past year. The problem stems from the combined effects of Covid-19 and a tick bite that became extremely infected. After a series of consultations that yielded no answers, Pastor Hight has found a treatment facility that seems to understand what he is dealing with and how to treat it. The medical facility is in Arizona, and ***the out-of-pocket expense will be at least \$11,000.***

This past week, our Christian Seniors collected over \$250 to help with these

out-of-pocket expenses. **We want to give everyone an opportunity to help in this cause.** If you are writing a check, please include his name on the memo line. If you are giving online, give to the BMA Missionaries Fund, Sub-Fund Other. Thank you for your care and generosity for this family in their time of need!

To keep up with the latest events and news from the Baptist Missionary Association, please take the time to read the Baptist Trumpet every week! If you do not receive the Baptist Trumpet weekly newspaper, please let us know. Please indicate whether you would prefer it in print or an electronic version.
