### PASSION WEEK: SIMON PETER POV

Matthew, Mark, Luke & John

Interactive Study Notes on the  
YouVersion Bible App

On March 17th, we graduated five first-time students from our latest class of Financial Peace University. There were four others that attended who had previously completed the nine-week course.

Those who finished the course learned how to get out of debt, how to develop a workable budget, establish an emergency fund and then get serious about fundamental financial issues. Everyone

learned what insurance is necessary and what to avoid. One session was devoted to learning how to purchase a home and what not to do. Investing for the future was also covered. The culmination of the course was a lesson on discovering the joy of giving.

It's wonderful to see all the ways that families are impacted by the biblical, financial principles taught in Financial Peace University. **We want to give you the opportunity to impact your family too, so we will begin another round of Financial Peace University on May 19.** For more information, contact Pastor Ron Fields or the church office.
