We have several things to draw to your attention regarding our calendar in the coming weeks. We don't want you to miss out on any of these special events!

This week is the final week for the Spring Community Group Session. Next Sunday is Mother's Day, and we will not be having community group studies in between Mother's Day and Father's Day. We do want to encourage your group to get together for a time of fellowship during this respite.

This coming Saturday, we will be hosting two studio recitals here at the church. At 3:00 PM, Karlee Simpson will

be performing a senior recital—playing both piano and violin. This is a culmination of years of hard work and practice!

On May 19, we will once again be offering Dave Ramsey's Financial Peace University. If you have ever attended one of these before, you are welcome to come again free of charge! If this is your first time to be able to join, you will be asked to purchase a starter kit that will include access to the online resource kit, Ramsey+! If you find yourself trying to stretch your dollars to make ends meet, this is definitely something that you will want to check out!
