**Vacation Bible School** was a great success! This would not have been possible without the army of volunteers that converged each evening. We want to say again, to all those who helped with VBS, thank you for giving of your time and energy last week. **Only the Lord knows the real impact that your sacrifice of service will have for eternity!**

If you are here for the first time today as a result of Vacation Bible School, **we want to welcome you to our weekly worship gathering.** Please let us know that you are here by completing the attendance form as it is passed down each row. If you have a **prayer request** that you would like to share with our pastoral staff, there is a place on that form to submit those.

With the end of VBS comes the end of summer. Just a few short weeks and our students will be headed back to class. **Please be in prayer for them and for all the those who will be serving them in various roles in our schools!**

As many of you know, our church operates on a Sept-Aug fiscal year. On **August 25**, we will be having our annual business meeting to determine our officers, teachers and budget for the upcoming year.

There are many opportunities to serve here at Temple. If this interests you, please get in touch with one of our pastors or deacons. Specifically, **if you are interested in a teaching role in our Sunday school ministry, please get in touch with Pastor David.** Thank you all for your willingness to serve!
