

But God, *mercy*
being rich in
because of the great love with
which he loved us, even when we
were dead in our trespasses,
made us
alive
together with Christ—by grace
you have been saved—

CONFERENCE

Immerse Conference is a four-day, three-night event for college students looking to “go all in” during their time on campus. It is happening this weekend in Little Rock. There are eleven students from the U of A ABS, plus one of our college students from Temple, who are there right now!

Would you pray for them as the Holy Spirit is speaking to their hearts about their future?

God has a purpose for being in college that is about more than just getting prepared for their vocational future. College is the launching point for the rest of their lives—what a shame if they let it go to waste!

The goal for this weekend is to see how God wants to use this season of life to set each of these young adults on a lifelong path of eternal purpose and significance.
