REASONS EVERY PASTOR NEEDS SABBATICAL

In last week's bulletin, I shared the first reason every pastor needs a sabbatical leave. The second reason every pastor needs a sabbatical is...

#2—He Needs Time and Freedom to Nurture Family Relationships

Pastors struggle to keep their church and family lives balanced. Too often, church emergencies usurp any plans that the family might have made. Pastoral families are flexible and seek to keep their priorities in line, but it is not easy being on call 24/7. A sabbatical leave gives the pastor an opportunity for time with his family without the worry of being interrupted.

Pray for Pastor David and family today as they are travelling to see family. Also pray for them as they go on vacation this week!
