The final reason that I will share about why every pastor needs a sabbatical leave is this:

#5—He Needs Time Off from the Ministry Roller Coaster

Thom Rainer said: “A pastor has emotional highs and lows unlike most other vocations. In the course of a day, a pastor can deal with death, deep spiritual issues, great encouragement, petty criticisms, tragedies, illnesses, and celebrations of birth. The emotional roller coaster is draining.”

For many, roller coasters are fun, but it is hard to imagine riding one all day, every day for years! In the same way, pastors may grow weary of the ministry roller coaster. Getting a break from the never ending twists and turns will help him to jump back on when he returns.
