

The image features a light beige, textured background. In the four corners, there are green palm fronds, likely from a coconut palm, arranged in a symmetrical pattern. The fronds are detailed with individual leaflets.

Our church is a part of the Baptist Missionary Association—a group of churches who have partnered together for the advancement of the Kingdom of God around the world. There are multiple levels of associated work—local, state and national associations.

The purpose for these individual churches coming together in this way is simply because we can do more when we do it together! On our own, we might be able to support one family serving on mission, but together with other churches, we support hundreds of missionaries all over the world!

This week, the BMA of the Ozarks will gather together for the purpose of advancing the gospel of Christ right here in Northwest Arkansas. Please keep us in your prayers as we meet and make decisions for the Kingdom!
