In just a few short weeks, you will have the opportunity to vote for the people who will govern us on the city, county, state and national levels. People across this land debate whether voting is a “fundamental right” or a “privilege.”

I believe as followers of Christ and citizens of this country, we should consider voting our responsibility!

The Bible says: “So whoever knows the right thing to do and fails to do it, for him it is sin” (James 4:17).

I want to encourage you to make plans to vote this year! Spend some time researching candidates so that you know what they believe and how they will vote. Let the truth of God’s Word be your standard for electing officials, not a political party.
